Get Your Free Gift!

Grab the current host code – it is always noted at the top of my website: <https://www.thestampingnook.com/>

- Enter that code when ordering in my shop when your order is under \$150 before shipping and handling. After your order is placed, I'll send you a free thank you gift!
- If your order is more than \$150, don't use the host code because you will get Stampin' Rewards directly from Stampin' Up! (they'll be applied to your order, and you'll be prompted to pick your free items while shopping). Even if your order is over \$150, I will still send you a free gift!
